

Science Adventure Institute Livermore (SAIL)

2005 Registration Form and Contract

Introduction

Thank you for pre-registering your child for SAIL. SAIL is an academic enrichment program offered through a partnership of the Livermore Joint Unified School District (LVJUSD), the University of California Edward Teller Education Center (ETEC), and Lawrence Livermore National Laboratory (LLNL). It is intended for serious students who have an interest in science and math. Instruction is geared to the California state science standards and will highlight aspects of LLNL science and technology.

To participate in SAIL, students must be entering the 6th or 7th grade in the 2005/2006 school year. Two redundant three-week SAIL sessions will be conducted from **June 20-July 7, 2005** (no class July 4) and **July 11-28, 2005**. Each SAIL session runs from 8:00 AM to 12:30 PM, Monday through Thursday. There are no classes on Fridays. A maximum of 20 students will be allowed per session. Your child may register for only one session. SAIL is being conducted at East Avenue Middle School, located at 3951 East Avenue, in Livermore. You do not need to be a Livermore resident for your child to attend.

The theme for SAIL 2005 is "CSI: Livermore." The curriculum will focus on forensic science and crime scene investigation. The excitement starts with a mock crime scene. Students will gather and analyze data and ultimately present their findings in a mock trial where they are the expert witnesses, judge and jury. Activities include:

- Crime scene documentation
- Evidence collection
- DNA fingerprinting
- Mock blood testing
- Biotechnology research and forensic science guest speakers
- Mock trial
- Graduation ceremony and ice cream social

Terms and Conditions

Ability to Participate

Students are expected to participate fully in all SAIL activities. This includes being able to understand scientific concepts at the grade 6-7 level, being able to individually handle laboratory equipment and conduct experiments, and being able to effectively communicate both orally and in writing with teachers and students. All children will be considered for eligibility on an individual basis as to whether SAIL is able to appropriately meet the need of the child within a group educational setting. SAIL reserves the right to deny attendance if the child is not able to fully participate in the full extent of the program.

Registration and Fees

A registration fee of \$300 per session applies to each student. There is no sibling discount. Checks are to be made out to The Regents of the University of California. A limited number of scholarships are available from the LVJUSD based on demonstrated financial need. Requests for scholarship assistance must be directed to the District's Curriculum & Special Projects Department at (925) 606-3226.

As your child's parent/guardian you need to pre-register your child on the SAIL web site (<http://education.llnl.gov/SAIL/>) and then complete and submit this registration contract, along with payment in full (unless requesting scholarship assistance), to:

University of California
Lawrence Livermore National Laboratory
Attn: Nadine Horner (L-797)
P.O. Box 808
Livermore, CA 94551

SAIL enrollment is contingent upon receipt of your payment along with this signed contract. If payment is not received at the time of contract submission, your child will be placed on a wait list with no guarantee of placement in a SAIL session.

Science Adventure Institute Livermore (SAIL) 2005 Registration Form and Contract

You will be notified by phone call or via email within seven (7) workdays of contract receipt by LLNL that your child's registration has been accepted, the child is on a wait list, or the child cannot be accommodated. If your child cannot be accommodated, your payment will be returned.

Refunds

There are no refunds for days missed, regardless of the circumstances. If a registered child needs to drop out prior to the commencement of the SAIL session, a 100% refund will be provided only if the child's slot is able to be filled from the wait list. There is no obligation on the part of SAIL to identify an acceptable alternate participant if none exists on the wait list. If the slot is unfilled, there is no refund.

Drop Off and Pick Up

Parents/guardians are responsible for dropping off and picking up their children at East Avenue Middle School at the designated times. Children will be dismissed promptly at 12:30 PM. There is no adult supervision provided at the school site outside the SAIL classroom hours of operation.

Food Services

There is no food service provided by SAIL. Food service is available at the summer school site from the LVJUSD campus caterer in accordance with District policy.

Permission to Photograph

Photographs will be taken of the children while participating in SAIL. By signing this registration contract, you give permission to the LVJUSD, ETEC and LLNL to reproduce these photographs for use in promotional materials, including web sites, brochures and in TV productions. Student names will not be identified without parental permission.

Medical Issues and Needs

If a child has a health condition that requires medication, the administration of medication must be authorized in writing by the parent/guardian and the child's doctor. Medication will be administered by Summer School Office staff or the parent/guardian must come to the school to administer the medication. The written authorization must be submitted to the LVJUSD the first day of attendance at SAIL.

Sick children will not be able to participate. A child who becomes sick while attending SAIL must be picked up by their parent/guardian or parent-authorized backup contact within 30 minutes of the parent/guardian being notified.

If a child receives a minor injury (such as a cut, bruise, or first degree burn), LVJUSD staff will administer first aid and contact the parent that first aid has been administered. In the event of an injury beyond what is normally considered minor, LVJUSD staff will call 911 and notify the parent/guardian or backup contact.

Prohibitions and Grounds for Expulsion

Students attending SAIL are required to abide by the LVJUSD policies. Any child deemed to pose a danger to other students or a serious disciplinary problem, including the use of verbally abusive language, may be subject to expulsion from the SAIL program. In the case of expulsion, no refund will be provided for days missed.

Property Loss

The LVJUSD, ETEC, and LLNL take no responsibility whatsoever for any lost items belonging to the child during his/her attendance at SAIL.

**Science Adventure Institute Livermore (SAIL)
2005 Registration Form and Contract**

To complete your child's registration, the following information is needed.

Session 1 June 20-July 7, 2005 _____

Session 2 July 11-28, 2005 _____

Child's Last Name _____ First Name _____

Date of Birth _____ School Child Attends _____ Grade in Fall _____

Home Address (Street, City, Zip) _____

Does your child have any special needs that might limit their participation in SAIL: ___Y ___N
(If yes, describe.) _____

Parent/Guardian Last Name _____ First Name _____

Parent/Guardian Home Phone _____ Work _____ Cell _____

Parent/Guardian Home or Work Email Address _____

Hold Harmless

I _____, as the parent/guardian of _____, agree to hold harmless The Regents of the University of California/Lawrence Livermore National Laboratory, the Department of Energy/National Nuclear Security Administration, and the Livermore Valley Joint Unified School District, their employees, agents and contractors against any liability and any claims resulting from my child's participation in the SAIL program. I understand that my child will be participating in the following activities: forensic science experiments related to a mock crime scene investigation and presentations by CSI specialists that may include graphic descriptions and/or pictures.

Emergency Contact Information and Authorized Adults

Doctor's Name _____ Phone Number _____

Dentist's Name _____ Phone Number _____

The following adults are emergency contacts in the event I am not reachable and are authorized by to pick up my child from SAIL if necessary:

_____	_____	_____
Name of Adult (First, Last)	Relationship to Child	Phone Number

_____	_____	_____
Name of Adult (First, Last)	Relationship to Child	Phone Number

_____	_____	_____
Name of Adult (First, Last)	Relationship to Child	Phone Number

Parent/Guardian Signature Acceptance

I _____, as the parent/guardian of my child _____, have read, understand and fully accept the terms of this registration contract submitted in order for my child to be accepted to the SAIL summer academic enrichment program.
